

A Simple Golf Revolution.

The Plane Simple Golf Circuit program is the first ever all inclusive training package of its' kind. Together, Pete Buchanan and Dr. Jeremy Maxwell are providing the most effective and simply repeatable golf instruction and upper cervical chiropractic care available. In addition, Pete's clients learn the golf swing foundations quickly and efficiently because of the Simple Swing Repeater training brace he designed. Dr. Jeremy Maxwell also is a Level 3 TPI certified Medical Professional who combines his Upper cervical chiropractic approach with the TPI procedures and K-Vest biofeedback, offering functional performance like no other. Our clients get better faster, with fewer adjustments, giving them more time to focus on their games and practice.

Whether you are a junior player trying to increase your competitive advantage, a seasoned veteran playing on the amateur and professional circuits or a weekend player looking to improve your game – participating in our program is sure to increase your performance level as well as increase how fun the game can be.
